REQUEST FOR REFUND TO CREDIT CARD

17 AUGUST 2004

Mail Stop PCT  
Commissioner for Patents

RE:  
U.S. NATIONAL PHASE APPLICATION of:  
BROCCHINI, Stephen and GODWIN, Anthony  
Title: Block Copolymers  
Filed 30 June 2004  
Application No. 10/500,536

Dear PCT Officer:

The above application was filed (under 371) on 30 June 2004. A credit card was used to make the payment, and unfortunately an overpayment was made. The applicant is small entity, which was indicated on all the forms, and the correct fee should have been \$613. But on the credit card authorization, I entered the large entity amount of \$1226 – which was a mistake.

**This is a formal request for a refund of \$613 (or the appropriate amount) to be made to the same credit card (ending in "5420").**

We have not yet received any correspondence from the USPTO about this case, except for the post card, and believe that the fee of \$613 is correct, however, since we have recently established a deposit account, the Commissioner is hereby authorized to charge any additional fees, should there be any, to Deposit Account No. 503,194.

If you have any questions, please call me at 415-752-4085.

Yours sincerely,

Adam Bell
